

RE TEODORICO

Merlot I.G.T. del Veneto

VARIETY: Merlot

VINEYARD: plain area of East Verona, reared with espalier plantings.

HARVEST: September

VINIFICATION: harvesting is followed by maceration and fermentation at a controlled temperature.

AGEING: stainless steel tanks and Slavonia oak barrels

APPEARANCE: ruby red with garnet hints

NOSE: intense and spicy, with a pleasant hint of forest fruit

PALATE: harmonious and balanced, with just the right amount of smoothness.

ALCOHOL CONTENT: 12%

FOOD MATCHING: This wine goes well with roasts, game, red meats and mature cheeses.

SERVE: It is recommended to serve at temperature of 18°C
